

Our typical event/birthday party includes three separate LEGO activities including a make-and-take build where the guests get to keep the LEGO model at the end of the event.

The event runs for one-and-a-half hours. The standard package accommodates up to 15 guests, and is held at the organisers home or a suitable local venue.

We are also able to cater for larger parties. If you have any special requests just let us know and we will try and accommodate these.

| Type | Price |
|---------------------------|-------|
| Standard (upto 15 people) | £195 |
| Plus (16-20 people) | £235 |
| Supersize (20-30 people) | £390 |

We have various locations around the country. If you are within 15 miles of one of our instructors, the mileage will be included in the party price. Additional mileage will be charged at 0.45p per mile.

Please be aware that the activities are suitable for 6 years and over. If there are younger children present, they will require adult assistance.

Once the party is confirmed we will invoice you for a non-refundable deposit of £50 to secure your booking.

When completed, send this form to Melvyn@awesome-engineers.com, or ring 07872 610750
