

AWESOME ENGINEERS

AFTER SCHOOL LEGO® CLUB

AUTUMN TERM

We are pleased to announce that registrations for the Autumn Term of the Awesome Engineers LEGO® Club are now officially open!

This is the perfect time to secure your child's spot in our program, which offers a fun and educational experience using LEGO® to foster creativity, logical thinking, and teamwork.

Awesome Engineers LEGO® Club is a unique opportunity for children to engage in activities that promote learning by building a different LEGO® machine each week, seeing how it works and can be modified.

✓ **All Sessions support the Primary Curriculum**
